# Mission Statement

Many patients have periodontal disease that is insufficiently treated. By upgrading our knowledge, skills and standards in periodontal care, the patients, General Dentist, Dental Hygienist and Periodontist all benefit. It is for this reason that I have made a commitment to periodontal education and a promise not to hold back any information.

Dr. Arlin maintains a full-time private practice in Toronto, Ontario limited to Periodontics and Implant Dentistry.

# Dr. Murray Arlin D.D.S., dip. Perio. F.R.C.D.(C)

Dr. Arlin received his D.D.S. at McGill University, Montreal in 1977, his Diploma in Periodontics at the University of Toronto in 1980 and his Fellowship in the Royal College of Dentists of Canada in 1983.

Dr. Arlin has taught at the University of Toronto at the undergraduate and post-graduate levels. He has also presented numerous seminar lectures internationally and has authored many articles in leading Dental Journals. He is past president of both the Ontario Society of Periodontists as well as the Ontario Study Club for Osseointegration (OSCO) and was the chairman for the Canadian Academy of Periontology's full day Perio program. Dr. Arlin is a co-founder of the Toronto Implant Study Club, which is the largest private implant study club in Canada. He is also the founder of the Dental Hygienist Periodontal Study Club of Toronto.
